# Property Description

**Location:** Las Colinas Golf & Country Club, Costa Cálida, Spain

Las Colinas Golf & Country Club is an exclusive residential complex with low housing density and built around an award winning 18-hole golf course. In a privileged enclave, Las Colinas is located in a valley surrounded by hills and a Nature reserve of protected land and woodland. The resort has been named "Europe's Leading Villa Resort" in the 2017 World Travel Awards as well as "Spain's Leading Villa Resort" in the 2015, 2016 and 2017 World Travel Awards and Spain's Best Golf Course in 2015, 2016 and 2017.

The new Villas Granado II are four exclusive villas, the perfect Mediterranean retreat. Massive windows, natural sunlight and one of the most exclusive panoramas of the Mediterranean forest, in Las Colinas Golf & Country Club (Costa Blanca, Spain).

We have designed a new villa model in which natural light is the main protagonist. Wooden ceilings, a lookout bench that frames the Mediterranean forest, glass walls, between 200 and 225 m<sup>2</sup> approximately ... The four villas are built on two floors to maximize views, as the living room and kitchen, terraces, pool and Master Suite are on the top floor, with direct access. Two bedrooms and an additional bathroom; a large garage or basement complete this project.
