Property Description

Location: Estepona, Costa del Sol, Spain

These wonderful villas are inspired by the magnificent natural environment that surrounds them such as the wide golf courses, the beauty of the mountains and the glow of the Mediterranean Sea.

The design is responsible and sustainable, making possible for beauty to flow and merge with the environment. They will be built with the best conditions for thermal insulation, thus achieving a clean and efficient energy consumption.

These modern and contemporary style villas, are conceived to enjoy an open, bright and fully integrated ambience together with nature. The villas are distributed on 2 levels, all with 3 bedrooms and their individual bathrooms. Each bedroom has access to a private and covered terrace, thus extending the surface of each room with the exterior. The villas are accessed through the ground floor, finding the social area that connects with the terrace until it reaches the swimming pool. The bedrooms are on the top floor, where their private terraces offer the best views.

The architectural design of the interior spaces is practical and functional, offering large open areas visually connected among them, as well as private and tranquil areas.

Its magnificent location and the luxury of a fresh and modern design are the main elements that define this project. These villas offer an intimate, quiet, private, and excellently located home, especially for you. Together with your family, you can enjoy an exclusive lifestyle, designed to satisfy to all members.

These magnificent villas are located in Valle Romano, the heart of the New Golden Mile. A few minutes from Estepona, these villas are surrounded by all kinds of services and have comfortable access from any point of the Costa del Sol.
