Property Description

Location: Afidn, Attica, greece

Luxury villa in Afides. It consists of two tangent but independent houses, each of which is divided into two levels: ground floor and basement. In the first house (320sqm) there is on the ground floor a large living room with dining area, a kitchen, a bedroom, bathroom and WC while in the basement we find another living room with kitchen, three bedrooms, 2 bathrooms, office space, cloakroom and a storage room. In the second house (180sqm) on the ground floor we find a living room with dining area, a kitchen, guesthouse and bathroom, while its basement consists of a living room, two bedrooms, bathroom, warehouses and cloakroom. It is bright and very bright, with beautiful layout, comfortable spaces, fireplaces in the living rooms and plenty of storage spaces, while it also offers unlimited mountain views. Within a plot of 3,426 sqm, it has two swimming pools, a large garden, a basketball court and paved parking for multiple vehicles. Mature palm trees, olive trees, and fruit trees adorn the garden. The building is made with high quality materials, has a water drainage system, modern safety systems and many other special features.

The residences can be joined into a single property based on modern architectural designs.
